This is so weird the amount of days you'll spend on this. I can only assume you're deeply mentally ill and/or paid

Going to DC is getting people killed? Hurt? You mean only Antifa and BLM can go out to the capital? This is bizarre.

Did you ever let the thought cross your mind that spouting off shit that would get everybody banned, is exactly why we all got banned, and worrying about organizing and getting on the road was more important than having a place to OPENLY discuss things that in this climate were in, would be better off left said in a place without a digital footprint? Or no, just REEEEEEEEEEE Patriot style?
